

CONDITIONS OF HIRE - COPY FOR HIRER

- 1 The hirer must complete and sign a hire form. One copy to be kept by the hirer and one copy to be kept by Danish Camp. Minimum age for hire is 18 years. All hirers will be given a safety brief before leaving Danish Camp.
- 2 The hirer is responsible for the bike and equipment and is liable for any loss or damage to be paid for at full retail value. Your debit or credit card details will be taken in advance of any hire to cover the full cost of any loss or damage.
- 3 Danish Camp accept no liability whatsoever for damage to the property of persons arising from the hire of equipment unless caused by the negligent acts or omissions of Danish Camp.
- 4 The hirer agrees to take all reasonable care of the equipment while in his/her custody or control.
- 5 **PAYMENT** The hirer agrees to provide proof of identity e.g. driving licence and to have a digital photograph taken as a form of security. The image to be erased upon the safe return of cycle/s and equipment hired under this agreement. Payment must be paid in full and in advance of any hire. Debit or credit card details will be taken should it be necessary to make a charge* to cover the cost of any damage or loss caused to the cycle during the period of hire. *Charge must be paid immediately.
- 6 Cycles or equipment MUST NOT be left unattended at any time.
- 7 For the hirer's protection, safety helmets are provided free of charge to infants/children and available to hire for adults.
- 8 The hirer must stay to established cycle routes and are not to be used for off-road/all-terrain cycling. We advise following Route 51 on the Sustrans Network.
- 9 The hire period is the agreed time before departing Danish Camp. Bikes that are returned late will be charged at the full cost of the following period of rental accordingly.
All bikes must be back at Danish Camp at least one hour before closing.
- 10 Should a problem occur with any of the cycles hired please call the emergency number shown below. This number must be used immediately to alert Danish Camp of the situation and use of the cycle must cease immediately to prevent damage or injury.

No liability can be accepted for any damage or injury caused by the user of a cycle after a problem becomes apparent.
